

Hello to 84 of you on this newsletter list ~

Tomorrow (8/18) the Board of Supervisors will be introduced to our **Freedom From Fireworks** campaign. This will happen during Oral Communications (which begins a few minutes after 9:00 am).

There will be about 5 of us at the podium as we roll out our campaign. We'll only have 3 minutes but that is all we will need to let the Supervisors know of our intention to ask their help in solving the fireworks problems that plague Santa Cruz residents. Please note that this is not a public hearing on fireworks, so we must keep comments to our one brief group introduction.

If any of you want to lend your support, by being in the audience (for a show of hands), or joining us at the podium, please be at the Supervisors Chambers (5th floor County Building) no later than 8:50 am tomorrow morning.

If you are unable to be there tomorrow, rest assured that there will be other opportunities to be engaged in this campaign in the coming months.

Jean
